

This is AERC's National Price List for Drop Off Friday rates applying to all facilities, except NJ. There is a separate Price List for AERC Recycling Solutions

AERC offers some options for individuals and small business owners with small quantities of electronics for recycling.

AERC Recycling Solutions Hosts National Drop Off Friday Program

AERC has a nationwide Drop Off Friday Program for individuals and small business owners at all of its facilities. Standard Drop Off hours are Fridays, 9AM - 4PM at all AERC locations. Drop Off hours and fees differ in New Jersey (see separate price sheet).

You may drop off Electronic Waste at any of our locations in the United States or a partnering Greenzone Drop Off location. Universal Waste such as lamps, batteries, ballasts and mercury-containing devices are accepted at some AERC facilities.

AERC's Electronics Processing Com-Cycle locations do not accept Universal Waste materials. AERC locations accept Electronic and Universal Waste. Call ahead to confirm.

AERC guarantees that any accepted Electronic Waste will not end up in a landfill. These materials will be processed into clean commodity streams to reinforce our **Zero-Waste-to-Landfill Policy**.

Any information on any data storage device accepted will be destroyed.

Electronics Recycling Collection Events

For a list of currently scheduled events, please visit www.Com-Cycle.com.

Greenzone Drop Off Locations

Please visit www.AERC.com/greenzone to search for a partnering Greenzone Drop Off Center location.

AERC currently has partnering locations in Florida and New Jersey.

Please call us if you would like to serve as a Drop Off location for your business.
